When the City of Macedonia undertakes to remove snow and/or collect rubbish for the benefit of the individual, said individual agrees to the following:

- These programs are intended for low-income city residents who are 65 years of age or older, as well as for disabled or handicapped individuals who have no one in the household capable of snow removal.

- The City of Macedonia, or any contractor hired to plow driveways or remove and dispose of rubbish, is not responsible for damage to private property.

-
- **SNOW REMOVAL:** Snow removal will occur only when there is an accumulation of at least three (3) inches of freshly fallen snow in the area to be plowed, and service will be provided no more than once within a 24-hour period. Drifting snow is not included in the measurement of accumulation. The program cannot provide immediate or on-demand snow removal at the request of a homeowner.
 - **RUBBISH DISPOSAL:** All rubbish disposal applications will be processed for the next billing cycle. Billing occurs quarterly as follows: 09/01/25-11/30/25, 12/1/25-2/28/26, 03/01/26-05/31/26, 06/01/26-08/31/26. Applications submitted during an active billing cycle will not take effect until the following cycle. Fees will not be prorated. The rubbish disposal program will expire on August 31, 2026.
 - **GUTTER CLEANING:** Gutter cleaning is provided once per year. For safety reasons, only first-level gutters will be cleaned. The work will be scheduled at the discretion of the Service Director.
